

Invest smarter. Invest together.

TRAD: TSX-V | VLEOF: OTC-QB

Who we are

We are an established mobile-focused fintech company that has developed a patent-pending collaborative stock trading app and end to end solution for Investment Clubs. Our seamless and secure solution creates a social, gamified investing experience that empowers people to invest together in a way that's never been possible.

What sets us apart?

- 
Operates a discount brokerage in the United States
 Licensed and regulated FINRA subsidiary – Voleo USA.
- 
Cutting-edge 'gamified' technology
 Patent-pending social trading technology for retail investors.
 iOS, Android and web applications built and maintained in-house.
- 
Credible foundation
 Registered in USA as a broker-dealer with FINRA, SIPC and SEC.
 Strategic collaborations with Nasdaq and TMX Group.
- 
Unique positioning in sizeable market
 International B2B pipeline through white-label capabilities.
 Ready to scale B2C initiative in USA.
 Flexible technology allows for product evolution in other verticals.
-
