

## Voleo Hits the Road to Share their Social Trading Story

September 4, 2019

**VANCOUVER, CANADA, Voleo Trading Systems Inc. (TRAD: TSX-V) (“Voleo”, the “Company”)**, is pleased to announce its participation in two B2B conferences in September. These conferences will enable Voleo to meet new executives and key leadership teams across the financial services sector.

Voleo has been selected to participate in the [CUNA Technology Council Conference](#) Speed Rounds, which are fast-paced, high-impact sessions providing a unique opportunity to show off Voleo’s state-of-the-art product to a large credit union audience. Credit Union National Association (CUNA) considers itself the most influential financial services trade association and the only national association that advocates on behalf of all of America’s credit unions. The conference focuses on the latest industry trends and highlights new strategies for credit unions to innovate. The conference is in Chicago, Illinois on September 11-14 with Thomas Beattie, CEO, presenting on the 12<sup>th</sup>.

Voleo will also be presenting at [Experience FinXTech](#) in Chicago, Illinois on September 9-10, sponsored by Bank Director. This two-day program encourages conversation, inspiration and transformation and gives participants the opportunity to meet with executives and leadership teams from various parts of the financial industry. At the conference, Mr. Beattie will discuss the Voleo platform and explain the advantage of the white label offering to acquire, engage and retain customers.

“Voleo is looking forward to a busy September with several events where it will showcase its white-label capabilities and connect with financial institutions looking for products, like Voleo, that can help them engage and grow their clientele,” says Morgen Sullivan, VP Growth, Voleo. Through these B2B conferences, Voleo will grow their network through new audiences, investors and opportunities and gain enhanced exposure in the fintech sector.

### **About Voleo Trading Systems Inc.**

Voleo is a mobile fintech company that is transforming the retail investing space through its powerful, collaborative investing platform. Voleo’s equity trading platform operates on native iOS and Android devices, as well as a companion web application. Voleo has increased retail investor participation in the stock market by breaking down barriers to entry, facilitating trust and improving financial literacy. The product is being white-labeled by major financial institutions around the world as an innovative product to engage, retain and acquire retail customers.

**Cautionary Note Regarding Forward-Looking Information**

*Certain statements contained in this release constitute forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of applicable Canadian securities laws. Such forward-looking statements relate to future events or Voleo Trading Systems Inc's (the "Company") future performance and the integration of cryptocurrency trading. All statements other than statements of historical fact may be forward-looking statements. Such forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "budget", "plan", "continue", "estimate", "expect", "forecast", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Voleo believes the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this release should not be unduly relied upon. These forward-looking statements speak only as of the date of this release, or as of the date specified in the documents incorporated by reference into this release, as the case may be. In particular, this release contains forward-looking statements pertaining, but not limited to: expectations as to future operations of the Company, future market trends, growth opportunities, the Company's go to market strategy, future partnerships, new initiatives and innovations of the Company, product offerings, the expected operations and performance of the Company's business, expected user growth, and the timing of key development milestones.*

*With respect to forward-looking statements contained in this release, the Company has made assumptions regarding, among other things: the accuracy, reliability and applicability of the Company's business model; the timely receipt of governmental approvals, including the receipt of approval from regulators in Canada and the United States; the timely commencement of operations by the Company and the success of such operations; the ability of the Company to implement its business plan as intended; the legislative and regulatory environments of the jurisdictions where the Company will carry on business or have operations; the impact of competition; and the availability of financing to execute the business plan. The Company has included the above summary of assumptions and risks related to forward-looking statements provided in this release in order to provide investors with a more complete perspective on the Company's current and future operations and such information may not be appropriate for other purposes.*

*Readers are cautioned that the foregoing lists of factors are not exhaustive and it would be unreasonable to rely on any such forward-looking statements and information as creating any legal rights, that the statements and information are not guarantees and may involve known and unknown risks and uncertainties, and that actual results may differ (and may differ materially) and objectives and strategies may differ or change from those expressed or implied in the forward-looking statements or information as a result of various factors. The forward-looking statements contained in this release are expressly qualified by this cautionary statement. Except as required by applicable securities laws, the Company is not under any duty and do not undertake any obligation to publicly update or revise any forward-looking statements after the date of this release or to conform such statements to actual results or to changes in the Company's expectations and the Company disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this release.*
