FinTech Breakthrough Recognizes Standout FinTech Companies and Solutions in 2019 Awards Program

FinTech Breakthrough, an independent organization that recognizes the top companies, technologies and products in the global FinTech market, today announced the winners of the organization's third annual awards program, showcasing technologies and companies that drive innovation and exemplify the best in FinTech technology solutions across the globe.

The FinTech Breakthrough Awards is the premier awards program founded to recognize the FinTech innovators, leaders and visionaries from around the world in a range of categories, including Banking, Personal Finance, Lending, Payments, Investments, RegTech, InsurTech and many more. The 2019 FinTech Breakthrough Award program attracted more than 3,500 nominations from all over the world.

"Breaking into the financial services industry was nearly impossible just a few years ago, but as the FinTech industry has now delivered proven tangible benefits for consumers and businesses, we are experiencing an impressive "breakthrough" phase of FinTech industry adoption," said James Johnson, Managing Director, FinTech Breakthrough. "This past year the industry experienced sustained growth, with a significant uptick in mainstream adoption of FinTech solutions, as well as a noteworthy increase in financial institutions and FinTech company partnerships. From dramatically improved customer experiences to increased operational efficiencies, the FinTech industry accomplished a stellar year and we are proud to recognize the innovators and leaders in this space. Congratulations to our 2019 FinTech Breakthrough Award winners."

All nominations were evaluated by an independent panel of experts within the financial services and technology industries, with the winning products and companies selected based on a variety of criteria, including most innovative and technologically advanced products and services.
